

Institute of Reproductive Grief Care

Certificate of Completion

This certificate is presented to

Elli Manatou

in recognition of their hard work and dedication in completing

Reproductive Grief Care Certification for Individuals

Date of Completion

3/18/2024

[Renewal requested after 2 years]

Those who have completed the Institute of Reproductive Grief Care's Certification for Individuals understand the profound impact of reproductive loss. They have completed 10 hours of training and are committed to helping set a standard of compassionate care and serve as an example and resource to invite men and women to begin healing.

Michaelene Fredenburg, President

Institute of
Reproductive Grief Care
